Applying to a Catholic High School

VISITING CATHOLIC HIGH SCHOOLS

Selecting the right Catholic high school is all about finding the best fit. In addition to providing holistic faith formation and rigorous academics, Catholic high schools offer beautiful campuses and facilities. Due to the coronavirus pandemic, Catholic high schools have adapted their admissions practices to observe social distancing guidelines to ensure a safe environment. Catholic high schools will provide access for prospective students and their families through certain in-person visits, virtual tours and other means. Our goal is to provide optimal opportunities for students and families to learn about our Catholic high schools while keeping health and safety as a top priority.

Please review the individual school profile enclosed in this directory and visit school websites to learn more about how to visit each Catholic high school.

CRITERIA FOR ADMISSIONS

Students apply to a Catholic high school by completing the high school's application form. Grades, test scores, and in some cases, an interview is considered by Catholic high schools in determining admission for each student. Each Catholic high school is unique and so is their admission process. Learn more about each Catholic high school by reviewing the enclosed description and visiting their web site.

A placement test is required by all Catholic high schools unless otherwise indicated by the high school. This section pertains to the process for registering for and taking the HSPT. GENDER Girls

Holy Cross has been educating “women of courage, compassion and scholarship” for over 150 years. As the current global health crisis has challenged schools to develop innovative and engaging methods of instruction, Holy Cross is at the forefront of providing a robust educational and student life experience. Whether on campus or at a distance, we prepare girls to feel confident taking academic risks, leading their peers, and standing up for their beliefs. We are guided by our Catholic faith and the mission of the

Sisters of the Holy Cross. Our graduates are exceptionally well prepared for college and beyond. As education today is globally focused, we offer a rigorous curriculum including Honors courses, Project Lead the Way Engineering program, Advanced Placement courses, an extensive online course selection, and a Dual-Enrollment/Dual-Credit program with Marymount University. In our championship athletics, our extensive performing arts, or by providing 11,000 hours of service annually, our girls do not wait for opportunity, they create it. Additionally, seniors complete a 60-hour internship in a career setting that interests them. The Class of 2020 received over \$22,000,000+ in college scholarships. Our girls believe they can do anything, because they see girls do everything.

GENDER Girls

Brookewood, an independent school located in Kensington, MD, seeks to help parents form their daughters into educated, cultured, pious, cheerful, and adventurous young women in a program oriented around the learning styles of girls. The curriculum is rooted in the Western tradition, where girls read the classics, recite poetry, explore the world, and graduate as confident young women. Brookewood prides itself on small classes where girls receive more personalized attention. Brookewood's extracurricular activities include competitive sports, the Model UN, and the Actor's Guild, which provides an opportunity for girls to express themselves through drama. Brookewood also offers optional daily Mass for students and faculty.

Unique to Brookewood is a system of four houses into which students are placed at the beginning of the school year. Don Bosco Cristo Rey High School, DBCR, is co-sponsored by the Archdiocese of Washington and the Salesians of Don Bosco. The school provides a rigorous college-preparatory Catholic education with a Salesian approach of “faith, family, future, fun” to hardworking students with limited economic resources. DBCR is a member of the Cristo Rey Network, a national association of 35 Catholic high schools that feature a college preparatory curriculum and a unique Corporate Work Study Program through which each student gains professional experience while financing the majority of the cost of his or her education. Students must be highly motivated and mature, open to Catholic religious values, employable, and willing to work very hard. Families are also expected to take an active part in the education of their child and in the life of the school. To apply, families must meet financial need requirements. Students must be 14 years old at the start of the school year and be eligible to work in the United States.

*“It is Jesus who stirs in you the desire to do
something great with your lives,*

the will to follow an ideal, the refusal to allow yourselves
to be ground down by mediocrity,
the courage to commit yourselves humbly and patiently
to improving yourselves and society,
making the world more human and more fraternal.”
