

Six Month Periodic Surveillance

Instructions: Periodic surveillance will be conducted at least once every 6 months in each school building owned by ADW that contains ACBM or is assumed to contain ACBM. Each person performing periodic surveillance must: (1) visually inspect all areas that are identified in the Management Plan as ACBM or assumed ACBM, (2) record the date of the surveillance, his or her name, and any changes in the condition of the materials and (3) submit a copy of the record to ADW Facilities.

- (1) School Name:
(2) Were there any changes in the condition of the asbestos containing building materials at the school?
(YES / NO)

If yes, describe the material, location and current condition:

Material Description	Material Location	Material Condition (good, fair, poor)	Friable? (yes/no)

Surveillance Inspector	Signature	Date of Inspection	Date of Asbestos Awareness Training

Please fax or email a copy of this form to AERO EH&S, Inc.
