

CATHOLIC HIGH SCHOOL VIRTUAL VISITS REMINDERS

Please see the **2020-2021 Catholic HS Admissions Information and Testing Guide** for complete details and instructions about Catholic high school visits to elementary schools.

Virtual High School Visits – Next Steps

- The elementary school is responsible to schedule the virtual visit (the CSO recommends utilizing the ZOOM platform) and provide the virtual meeting instructions to the high school admission director.
- The elementary school is asked to send the meeting appointment invitation to the admission director as soon as possible, and at least one week before the virtual meeting.
- If the school plans to utilize a different virtual platform form, the information should be provided to the admission directors.
- A member of the school staff must be present for the virtual visit to supervise students.
