A Faith-Based Education
that Lasts a Lifetime

NWEA MAP Growth Accommodations at-a-Glance 2022-2023

- ❖ Accommodations must be documented on the child's Catholic Accommodation Plan (CAP) or Individualized Catholic Education Plan (ICEP)
- ❖ Common Accommodation Notes:
 - Extended time and breaks are already individualized for students (no further action is needed)
 - MAP Growth is not a timed test
 - Breaks are appropriate as needed
 - Calculators
 - Physical calculators need to be supplied for students with the calculator accommodation on their CAP or ICEP
 - The embedded calculator, available to all students, only pops up for specific questions
 - Student Reads Test Aloud to Self
 - Students must test in a 1:1 setting to avoid distracting others
 - Read-to (**must be individually assigned to students before testing-when creating the test session**)
 - Students with a read-to (text-to-speech) can take the test in a room with others, with high-quality headphones
 - The text-to-speech feature should be turned on prior to testing
 - A human reader is still an option if that works better for your school team or the child
