Saint Francis Summer Academy

Saint Francis International School in Silver Spring is offers a summer academy for students in elementary and middle school. ***Our summer academy is designed to provide both enrichment and remediation depending on each child's individual needs.*** Students who have completed Pre-K 4 through seventh grade are eligible to attend the summer academy. The summer academy will begin with pre-assessments to determine student learning levels and needs which will be used along with a review of each student's report card and consultation with their current teachers and principal to determine what learning standards to focus on during the summer.

The Saint Francis Summer Academy offers various programs to choose from. Please refer to the back of this flier for details on the programs available this summer.

Students will be instructed by career teachers in small groups. Each student will be assessed at the end of the summer and weekly standards-based reports indicating their growth will be provided for their regular school.

The summer academy will run from 8 am to 1 pm Monday through Friday from July 1-26. Tuition for the summer academy is \$600 (or only \$525 for the whole summer if you pay tuition in-full by June 14). Tuition includes textbook materials and *daily breakfast and lunch* for all students.

Before care is available from 7 to 8 am for an additional \$30 per week.

After care is available from 1 to 5 pm for an additional \$15 per hour.

Where: *St. Camillus Campus* of Saint Francis International School
1500 St. Camillus Drive

July 1-26, 2019
8 am to 1 pm

SFIS offers five different summer academy programs to the unique needs of students. Programs are available for students entering elementary school through those completing middle school.

Tuition for the FOUR-WEEK summer academy is \$600 (tuition discount if paid in-full by June 14) and includes textbooks and materials, online learning tools, regular progress reports, as well as light breakfast and lunch every day.

All Summer Academy programs are open to current SFIS students *as well as students from other public and private schools*. **Here are what we have to offer and who the programs are for:**

- **Math & Language Arts Review & Enrichment** – for any students currently in grades 1 through 7, especially those who might be struggling with their grades.

Our traditional summer school program offers intensive math, reading, and writing classes in groups of no more than ten students. The curriculum for summer school is built around the needs and strengths of the children in each class. Students are assessed before and after the summer academy and parents receive weekly progress reports throughout the program.

- **Get Ready for Kindergarten** – for student currently in Pre-K 4 who will be in Kindergarten in the fall.

This four week program will reinforce fundamental skills and help students get ready for the new environment of Kindergarten in a fun and engaging way. Emphasis will be put on making sure that the literacy and math skills needed for Kindergarten are mastered. The student to teacher ratio will be no more than one teacher per 12 students.

- **Get Ready for First Grade** – for students currently in Kindergarten who will be in 1st grade in the fall.

1st grade brings new responsibilities for students including an emphasis on personal organization and self-motivation. This program is designed to foster rising 1st graders' independence and make sure they have the reading and math skills needed for 1st grade. The student to teacher ratio will be no more than one teacher per 12 students.

- **Science, Technology, Engineering, and Mathematics (STEM) Enrichment** – for students completing grades 4 through 7 who have high marks.

“SciTech@SFIS” is a summer school program focused on making science and math enjoyable which is led by nationally recognized Advanced Placement Chemistry and Physics teacher Mr. Mike Miehl. Students will use their math and science skills and knowledge to engage in experiments and activities that will let them grow in areas of technology and engineering. Student will come away from this program with greater exposure to technology and engineering concepts as well as stronger math and science skills.

- **Digital Arts Enrichment** – for students completing grades 4 through 7 who have high marks.

Professional graphic designer (and Spanish teacher), Ms. Catalina Hernandez will teach middle school students the principles of the design process using Chromebook laptops and traditional media. Students will work on animation, advertisement and editorial design using applied math, language arts, research, visual arts, and technology skills. This project-based “camp” will help answer the question, “When will I use what I am learning?”

This camp is for rising Kindergarten through rising 1st grade students who love to play games! We will be learning how to work and play cooperatively together while playing games of all kinds! We will learn the importance of being kind, playing fairly, and understanding that games are not about winning or losing but about having fun with friends!

Disney Camp with Mrs. Amanda Fox

Kindergarten – 2nd

July 22-29, 9-3pm

July 29-August 2 9-3pm

Cost: Week 1 \$250, Week 2 \$250, Both Weeks \$450

This camp is for rising Kindergarten through rising 2nd grade students who love Disney! Each day we will celebrate a different Disney movie with games, songs, crafts, and science projects related to the movie of the day!

Take A Cruise Through Kindergarten

Kindergarten

July 8-12, 9-12pm

Cost: \$200

Kindergarten Camp is full of learning and fun activities for your incoming kindergartener! Mrs. Lofland will provide a "Cruise" through Kindergarten to introduce the daily routine and become acquainted with the campus. Campers will engage in Language Arts, Math, Science and Religion activities in fun and interactive ways throughout the week! Campers will end the week with a Water Play Day.

Reading and Math with Mrs. McLoughlin

Rising 5th -6th

July 8-12, 9-2pm

Cost: \$250

Take the stress out of the mandatory reading and math summer work! Mrs. McLoughlin will read a book that is the required reading for the summer and complete all of the assignments necessary to finish the report. In addition, Mrs. McLoughlin will review math concepts for grades 5 and 6 and complete school requirements for summer math.

Improv with Mr. Crimans

Rising 4th-6th graders

July 8-12, 9-2pm

July 15-22, 9-2pm

Cost: Week 1 \$250, Week 2 \$250, Both Weeks \$450

Campers will play Improv games and build up their "acting chops." The week will be filled with laughter and games. Campers will put on a 45-minute Improv show for parents, family, and friends on the last day of camp (Time TBD). It is sure to be a fun-filled week!

Theatre with Mr. Crimans

Rising 3rd-4th graders

July 22-26, 9-2pm

Cost: \$250

Join Mr. Crimans for a week of exciting theatre games and basic acting skills that will culminate in a short theme theatre production! Mr. Crimans has extensive theatre experience and always puts on funny shows with rockin' songs, so this is sure to be a week of learning and fun!

Reading Camp with Mr. Crimans

Rising 3rd-6th graders

July 29-August 2, 9-2pm

Cost: \$250

Join Mr. Crimans for Reading Camp this summer! We will gather in the library to read and discuss books while eating baked goods in the comfy reading corner. Discover new favorite books and series. Find a new favorite author. See how much of the library you can read in one week.

Math Fun with Mrs. Fox

Rising 4th-6th graders

July 29-August 2, 9-12pm

Cost: \$200

Do you want to learn more about math and get ready for the upcoming school year? We will be doing hands on activities and playing games while we learn about Number sense, Fractions, Decimals, Multiplication, Long Division, and Geometry. It will be a fun way to improve your skills and learn some new ways to solve problems.

Science Fun with Ms. Gleason

Rising 3rd -4th grade

July 29-August 2, 9-3pm

Cost: \$250

The science camp will focus on 4 different science units over the course of the week. Each day we will explore, discover, and conduct many experiments. Join in on the science fun with Ms. Gleason!

Can Do Cursive and Creative Works of Art Camp with Ms. Healy

Rising 3rd -6th grade

July 29-August 2, 9-3pm

Cost: \$250

A camp week of cursive writing in the morning and art in the afternoon. I will be teaching cursive writing with the *Hand Writing Without Tears* program. This is an excellent program to teach cursive to all ages. The afternoons will be filled with learning the "Greats" in our art world from Vincent Van Gogh to Georgia O'Keefe to Jackson Polluck, to Andy Warhol to Norman Rockwell. Students will pick one artist to study on for the week. They will work in acrylics, pastels, water color and pencil, re-creating the style of the artist they have chosen to study. Great fun is had by all!

Baking and Crafting with Mrs. Ross

Rising 2nd -6th graders

July 15- 19, 9-2pm

July 22-26, 9-2pm

Cost: Week 1 \$250, Week 2 \$250, Both Weeks \$450

Are you creative? Do you love making sweet treats? If you love baking and crafting, you should join Mrs. Ross in a week-long crafting and baking experience! Campers will be using a variety of mediums to create their masterpieces in addition to getting messy in the kitchen. Bring your aprons and let's start crafting!

*St. Elizabeth's may cancel a program due to low enrollment. Parents will be notified in a timely manner if such a decision is made and a refund will be granted. Programs will not be prorated for partial attendance. *

Summer at Holy Cross

Summer at The Academy of the Holy Cross welcomes students in grades 1 through 12. Campers play numerous sports, prepare for important placement exams, and take singing, acting, and filmmaking classes—forming incredible friendships along the way.

The knowledge, skills and memories created here will last far beyond summer.

Summer Enrichment Programs 2019

Come join us for a fun, event-filled summer at Bishop McNamara High School!

Our summer camp program offers a variety of experiences including: Academic, Athletic, Fine Arts and Leadership-based Camps. Our camp dates are June 24 - August 2, 2019; there will not be camp available on Thursday, July 4, 2019 in observance of Independence Day.

Visit our website www.bmhs.org on March 18, 2019 to begin online registration. Early bird discounts, team discounts, and sibling discounts will be available. Extended day services are also available. For more information please contact Mrs. Dian Carter, Assistant Principal & Director of Summer Camps, at summer.camps@bmhs.org.

ENRICHMENT CAMPS

Our Enrichment Camps feature opportunities in several academic subjects to help campers develop the fundamentals of each subject, challenge them in their strengths, broaden their skill sets and encourage them to be confident when faced with difficult subjects. These workshops are modeled to prepare campers for the rigors of a college prep high school curriculum!

ATHLETIC CAMPS

Our Athletic Camps feature week-long sessions that will give campers the opportunity to receive instruction from our coaching staff and be a part of the growing Bishop McNamara athletic culture. All of our Athletic Camps are run by the head coach of our different programs and will feature our student athletes as counselors.

FINE ARTS CAMPS

We have some incredible opportunities in the Fine Arts! These camps will give our campers many creative outlets to refine their skills and techniques in the arts. Most of our camps are held by Bishop McNamara Fine Arts Faculty.

LEADERSHIP DEVELOPMENT CAMPS

We are excited to be offering a unique leadership opportunity. We have joined up with an entrepreneurial and leadership camp that will help younger and high-school aged students develop the skills necessary to compete in a growing business world!

Visit our website, www.bmhs.org, for more information.
