# **CATHOLIC HIGH SCHOOL ADMISSIONS PROCESS: OVERVIEW FOR APPLYING TO A CATHOLIC HIGH SCHOOL**

## **Criteria for Admission**

Students must complete a high school's own application form. Grades, test scores, teacher recommendations and, in some cases, an interview are used in considering applications. Placement test results must be submitted to the high school before the high school application will be considered for official review, unless otherwise noted in the *Schedule of Placement Testing for All Archdiocese of Washington Catholic High Schools* (on pages 15-18 of this guide). Don Bosco Cristo Rey High School will also have income and other admissions criteria requirements pertaining to its unique work-study mission.

## **Student Recruitment**

Catholic high schools may communicate, host events and conduct activities that engage prospective students and parent/guardians in the admissions process. Catholic high schools may not communicate or conduct meetings and/or events, beginning on the date of their application deadline until their decision notification date, unless all applicants are included. Catholic high schools may conduct certain meetings and activities during this time with applicant(s) strictly for the purpose of furthering or considering a student's application for admission. Events held for the purpose of offering admission, or infer of an offer of admission, to an applicant is not permitted. For clarification about the types of activities, events, or meetings that are allowed at a particular time during the admissions cycle, please contact the (301) 853-4531.

## **Communication between Catholic Schools**

Communication between Catholic high schools and Catholic elementary schools is an important aspect of collaboration in support of 8<sup>th</sup> grade student matriculation into a Catholic high school. Catholic high school admission directors may communicate with elementary school principals should there be any questions pertaining to a student's application. Per ADW *Policies for Catholic Schools* (#3518), "Prior to finalizing admissions decisions and releasing decision information to families, admission directors shall contact Archdiocesan elementary school chief administrators and report admission decisions pertinent to the Catholic high school." Elementary school principals will hold all communications with admissions directors to be confidential.

## **Notice of Non-Discriminatory Policy**

Catholic schools admit students of any race, color, national, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. Archdiocesan schools shall not discriminate on the basis of race, sex (unless traditionally a single sex school), sexual orientation, national origin or age, in accordance to the law.

## **Notice of Acceptance**

Notices of acceptance or non-acceptance will be mailed via U.S. Mail to students by Catholic high schools in the Archdiocese of Washington on Thursday, February 20, 2020 or on Thursday, February 27, 2020. The specific notification date for each Catholic high school will be included in its admission materials. Each school also will provide students with the information to complete registration for fall 2020.

- A. Notifications will be released at 12 noon according to the aforementioned dates, by U.S. Mail.
- B. Notifications may be released beginning at 3:00 p.m. on Friday, February 21, 2020 or on Friday, February 28, 2020 by email.
- C. Notifications may be released beginning at 3:00 p.m. on Friday, February 21, 2020 or on Friday, February 28, 2020 by telephone call.
- D. School must disseminate all decision notifications on the same date selected by the school.

*This document is intended for the internal communication between Archdiocesan elementary schools and Catholic high schools in the Archdiocese of Washington. By signature, the schools acknowledge their commitment to abide by the guidelines and dates provided herein.*

## High School Registration

**Upon notification of acceptance**, Catholic high schools may not require students to accept an offer of admission any earlier than Friday, March 13, 2020.

- A. A newly admitted student may elect to accept the offer of admission from a Catholic high school and register at any time.
- B. Catholic high schools may host events to welcome and provide additional information to newly admitted students; however, registration may not be the purpose of such events.
- C. Catholic high schools may request students who have been offered a merit scholarship to notify the school of their intention to decline the scholarship, as soon as possible.

### *Archdiocesan Tuition Assistance*

Each high school and the Archdiocese of Washington offer a variety of tuition assistance and scholarship programs. Applying for tuition assistance has no bearing on whether a student is admitted to a school. Tuition assistance application deadlines are as early as December, so families will know their tuition assistance grants in the same timeframe and when they receive their decision notification letters from high schools.

TADS administers the application process for the Archdiocesan Tuition Assistance Program. The TADS Application Form for the 2020-2021 school year must be completed and submitted to TADS by **December 1, 2019**, for families applying for tuition assistance from the archdiocese for a high school student. The form may be obtained in September 2019 at [www.adwcatholicschools.org/tuition-assistance](http://www.adwcatholicschools.org/tuition-assistance). Please note that online applications for tuition assistance are preferred. All tuition assistance obtained through the archdiocese is based on financial need. Archdiocesan tuition assistance is open only to students currently enrolled in or applying to Catholic schools located in the archdiocese, which includes Washington, DC and the five Maryland counties of Calvert, Charles, Montgomery, Prince George's, and St. Mary's.

Archdiocesan tuition assistance decision letters will be delivered via email to all applicants on Friday, February 28, 2020. Catholic high schools will be provided with access to the archdiocesan tuition assistance award report for their school no later than Wednesday, February 26, 2020. Catholic high schools may not disclose archdiocesan tuition assistance decisions prior to applicants receiving their decision letter from the archdiocese.

For help with tuition assistance, funding, and education resources, please call 301-853-5356, or send a message to [tuitionassistanceprogram@adw.org](mailto:tuitionassistanceprogram@adw.org).

# CATHOLIC HIGH SCHOOL VISITS TO CATHOLIC ELEMENTARY SCHOOLS

## Overview

In accordance with the *Protocol for Catholic High School Visits to Elementary Schools*, each fall, Catholic high school representatives may visit Catholic elementary schools to provide a 20-minute presentation about the high school. These visits provide Catholic elementary school 8<sup>th</sup> grade students with opportunities to learn more about the Catholic high schools in the archdiocese. Parents and/or guardians should be invited to attend the visit(s).

The high school visit program exists through a mutual agreement between the Elementary School Principals Association and the High School Principals Association. The schedule for these visits is prepared during the summer, in consultation with Catholic elementary school principals and Catholic high school admissions directors. In an effort to minimize, the interruption of instructional time, Catholic elementary schools will host a minimum of fourteen Catholic high school visits from Catholic high schools in the Archdiocese of Washington. The Catholic Schools Office facilitates preparation of the schedule for these visits. High school visits are conducted at elementary schools early in the fall, typically from early September through late October.

## Protocol for Visits to Catholic Elementary Schools

### Guidelines for Catholic High Schools

- Catholic high school representatives are encouraged to visit as many Catholic elementary schools as possible in the Archdiocese of Washington, especially schools that serve lower socioeconomic populations.
- High school presentations should include information about:
  - The unique Catholic identity of each high school;
  - Academic programs, extracurricular offerings, and admissions procedures and deadlines;
  - Financial aid and scholarships available through the school and the archdiocese, as well as the school's tuition and fees.
- High school representatives should make every effort to arrive at the elementary school at least 10 minutes before their scheduled presentations.
- The 20-minute time limit for presentations should be followed.
- Upon arriving at the school, high school representatives should introduce themselves to the elementary school principal and, following the presentation, thank the elementary school faculty and staff involved.
- If either a high school or an elementary school needs to reschedule a high school visit, the school desiring a schedule change should contact the other school to reschedule at least one week before the scheduled visit, except in cases of emergency.
- The number of alumni of the elementary school accompanying the high school representative should be kept to a minimum. High school students must be dressed in school uniforms for the presentations.
- Negative comparisons to other schools should be avoided, as well as any other comments regarding other schools' perceived reputations, admissions criteria, etc.
- Giveaways of any kind (other than the application packet/brochure) are not permitted.
- A feedback form is available (Appendix A), but its use is optional. Please use them only if there is an exceptional situation or if feedback is warranted. Completed forms should be returned to the Assistant Superintendent for Advancement and Enrollment Management.

*This document is intended for the internal communication between Archdiocesan elementary schools and Catholic high schools in the Archdiocese of Washington. By signature, the schools acknowledge their commitment to abide by the guidelines and dates provided herein.*

## **Guidelines for Catholic Elementary Schools**

- Elementary schools will allow a minimum of fourteen (14) high schools from the Archdiocese of Washington to visit students.
- Elementary schools may select high schools to be invited to visit students. If a high school is unable to accept an elementary school invitation, the visit may count toward the fourteen-school minimum at the discretion of the elementary school principal.
- Elementary schools should have students ready for the high school presentation at the scheduled time.
- A faculty member from the elementary school should be present in the classroom for the entire length of the high school presentation. The high school representative should never be asked to be responsible for monitoring students during a visit.
- At least two weeks before the high school visits begin, the principal should provide parents/guardians with a schedule of the visits and invite them to join their children for the presentations.
- Principals should attend some of the presentations.
- If an elementary school has a concern about any aspect of a high school's presentation, the principal should bring the concern to the attention of the high school's admissions director or president.
- Elementary school faculty and staff are asked not to wear promotional apparel of Catholic high schools during high school visits.
- A Catholic high school from another diocese may visit an archdiocesan elementary school at the discretion of the elementary school principal. Elementary school principals and classroom teachers must ensure that visiting high schools adhere to the same guidelines provided for Archdiocese of Washington Catholic high schools.
- Non-Catholic schools are not permitted to visit archdiocesan elementary schools.
- A feedback form is available (Appendix A), but its use is optional. Please use them only if there is an exceptional situation or if feedback is warranted. Completed forms are to be returned to the Assistant Superintendent for Advancement and Enrollment Management.

Catholic high school visit schedules will be provided in mid-August 2019. If you have any questions regarding the protocol for the high school visits, please contact the Assistant Superintendent for Advancement and Enrollment Management *at 301-853-4531 or [wwilliams@adw.org](mailto:wwilliams@adw.org)*.

## HSPT Overview and Background

The *High School Placement Test (HSPT)* is a five-part multiple-choice test of verbal, quantitative, reading, mathematics, and language arts skills. The exam takes 3 hours to administer, this includes two short breaks and 30 minutes for distributing and collecting the answer sheets and test booklets. Subtests and standard testing time limits are as follows: 16 minutes for verbal ability; 30 minutes for quantitative ability; 25 minutes for reading achievement; 45 minutes for mathematics achievement; and 25 minutes for language arts.

Scholastic Testing Service, Inc. (STS) first developed the HSPT in 1955. Since that time, STS has revised the HSPT annually in order to ensure its effectiveness for the schools using the test. The HSPT scores are one factor that 11 of the Catholic high schools in the Archdiocese of Washington consider when reviewing students' applications to their schools, although schools elsewhere also use this test to assist with educational diagnosis and awarding of scholarships. The Archdiocese of Baltimore and the Diocese of Arlington both utilize the HSPT for admissions purposes, and we have worked closely to align materials and procedures with these dioceses. For more information about STS and the HSPT, please visit the STS website *getting to Know STS* at [www.ststesting.com](http://www.ststesting.com). For information about preparing for the HSPT, see the subsequent section of this guide titled *HSPT Preparation Recommendations and Resources*.

Parents/guardians are required to provide appropriate documentation (see list of documents) of their child's accommodation needs with their *HSPT Registration Form*. ## HSPT Testing Materials

### **For Catholic Elementary Schools Administering the HSPT:**

Students must complete test registration in advance. Only students registered in advance will be permitted to take the test. The Catholic Schools Office will provide a list of registered students to the school principal and test administrator, weekly via email, starting two weeks after the registration window opens, or upon request. A final list will be provided in December, after the close of the High School Choice(s) window. The list, which will include the registration confirmation ID# for each student, should be kept on file at the school. The correct confirmation ID# must be “bubbled-in” on each student’s answer sheet to ensure that the students’ scores are reported accurately.

STS mails HSPT order forms to Catholic elementary schools in September. Schools are advised to order enough testing materials for all students in the 8<sup>th</sup> grade class. Catholic elementary schools fax the *Elementary Order Form* to STS by October 30, 2019. The Catholic Schools Office, c/o Scholastic Testing Service, Inc., will provide each Catholic elementary school with an Interpretive Manual, HSPT directions, test booklets, and answer sheets. Catholic elementary schools mail completed HSPT answer sheets to STS by November 25, 2019. All HSPT test booklets, test instructions, and related materials must be returned to Scholastic Testing Services, Inc. after each test administration.

### **For Catholic High School Test Sites:**

The Catholic Schools Office will provide a list of registered students to the high school test administrator, weekly via email, starting two weeks after the registration window opens, or upon request. The final list of registered students for each test site will be published on the Wednesday before the test date. Only those students who register in advance will be permitted to take the test. No walk-ins will be accepted.

STS mails HSPT order forms to participating Catholic high schools in September. High schools are expected to order enough materials to satisfy the school’s stated site capacity. High schools fax the *High School Order Form* to STS by October 30, 2019. The Catholic Schools Office, c/o Scholastic Testing Service, Inc., will provide each participating Catholic high school with an Interpretive Manual, HSPT directions, test booklets, and answer sheets in November. All HSPT answer sheets, test booklets, test instructions, and related materials must be mailed to Scholastic Testing Services, Inc. on the Wednesday following each test administration.

### **HSPT Preparation and Resources**

STS will provide all Catholic elementary schools with a supply of practice questions and general HSPT preparation information. The intention of this preparation is to apprise students and their families of the substance and process involved in taking the HSPT. While guides are available in bookstores and libraries to supplement the materials that will be provided, content preparation is not advised, as the nature of the test does not lend itself to this kind of preparation. Students should be encouraged to become familiar with the test sections and the kind of questions they will be expected to address. Parents or guardians seeking advice on HSPT preparation should be encouraged to review guides available in local libraries and bookstores. The Archdiocese of Washington does not endorse any one guide.

## Distribution of HSPT Results
