# Applying to a Catholic High School

## CRITERIA FOR ADMISSIONS

Students apply to a Catholic high school by completing the high school's application form. Grades, test scores, and in some cases, an interview is considered by Catholic high schools in determining admission for each student. Each Catholic high school is unique and so is their admission process. Learn more about each Catholic high school by reviewing the enclosed description and visiting their website.

A placement test is required by all Catholic high schools unless otherwise indicated by the high school. This section pertains to the process for registering for and taking the HSPT. For testing instructions for those Catholic high schools that do not require the HSPT, please refer to the school's enclosed description.

## HIGH SCHOOL PLACEMENT TEST

The *High School Placement Test (HSPT)* is a five-part multiple choice test of verbal, quantitative, reading, mathematics, and language arts skills. The exam takes 3 hours to administer. This includes two short breaks and 30 minutes for distributing and collecting the answer sheets and test booklets.

Tuition assistance application deadlines are as early as December, so families will know their tuition assistance grants when they receive their notification letters from high schools in the spring.

### Archdiocesan Tuition Assistance Program

Archdiocesan tuition assistance is available to students currently enrolled in or applying to Catholic schools located in the archdiocese, which includes Washington, DC and the five Maryland counties of Calvert, Charles, Montgomery, Prince George's, and St. Mary's. TADS administers the application process for the Archdiocesan Tuition Assistance Program. The TADS Application Form for the 2023-2024 school year must be completed and submitted to TADS by **December 2, 2022** for families applying for tuition assistance from the archdiocese for a high school student. Please note that online applications for tuition assistance are preferred. All tuition assistance obtained through the archdiocese is based on financial need.

Brookewood, an independent school located in Kensington, MD, seeks to help parents form their daughters into faithful, educated, cultured, cheerful and adventurous young women. The curriculum is based on a classical liberal arts education, where girls read literature, recite poetry, explore the world, and graduate as confident young women. Brookewood prides itself on small classes where girls receive more personalized attention. Brookewood's extracurricular activities include competitive sports, the Model UN, Art Club, Yearbook Club, Destination Imagination, and the Actor's Guild, which provides an opportunity for girls to express themselves through drama. Brookewood also offers optional daily Mass for students and faculty.

Unique to Brookewood is a system of four houses into which students are placed at the beginning of the school year. On festival days, the girls compete in their respective houses in athletic events and recite poetry they have learned in class for competition. Outside the classroom, Brookewood School takes advantage of the wide range of educational, cultural, and natural opportunities in the greater Washington, DC area.

Brookewood enjoys the cooperation with its brother school, Avalon, in the formation of a vibrant community characterized by the Spring Gala, annual plays, various school dances, and family events for families of both schools. A robust international student program further enriches the culture and learning environment.

### TUITION ASSISTANCE AND SCHOLARSHIPS

Need-based financial aid provided by school; families may also apply for need-based assistance through the Archdiocese of Washington. Visit our website for more information.

### SERVICE TO STUDENTS WITH SPECIAL NEEDS

### TRANSPORTATION

Shuttle service is provided from Gaithersburg and the Clarksburg area. Call for more information. Brookewood is located between Grosvenor, White Flint, and Forest Glen metro stations with a short 10-minute bus ride to school. Brookewood is also located near the Kensington MARC train station.

Don Bosco Cristo Rey, co-sponsored by the Archdiocese of Washington and the Salesians of Don Bosco. The school provides a rigorous college-preparatory Catholic education with a Salesian approach of “faith, family, future, fun” to hardworking students with limited economic resources. DBC is a member of the Cristo Rey Network, a national association of 37 Catholic high schools that feature a college preparatory curriculum and a unique Corporate Work Study Program through which each student gains professional experience while financing the majority of the cost of his or her education. Students must be highly motivated and mature, open to Catholic religious values, employable, and willing to work very hard. Families are also expected to take an active part in the education of their child and in the life of the school. To apply, families must meet financial need requirements. Students must be 14 years old at the start of the school year and be eligible to work in the United States.

## TUITION ASSISTANCE AND SCHOLARSHIPS

Because our mission is to provide a private school option to students who otherwise could not afford a private school education, the family of the student must be considered as having limited financial resources. All students will participate in our Corporate Work Study Program, which pays a portion of the tuition. Financial Aid and scholarships are awarded to all students so that the maximum family contribution is no more than \$2,500.

Georgetown Visitation, founded in 1799, is a college preparatory school rooted in the Roman Catholic faith and Salesian tradition. Faith blooms on our 23-acre campus in the heart of Georgetown, where young women learn to “Be who you are and be that well” - the wise words of Visitation Order co-founder St. Francis de Sales - whether in the classroom, on the stage, on the field, or in the community. Visitation women join us from diverse backgrounds; here, nurtured by our caring, committed teachers, they grow into self-reliant, intellectually mature, and morally responsible women of faith, vision, and purpose prepared to meet the demands and challenges of today’s rapidly changing and morally complex world.

A Visitation education is tailored to provide the training and preparation young women need to become leaders. We provide the spiritual grounding, challenging academics, plentiful opportunities, and supportive and joyous community that enable our students to cultivate their God-given gifts. In the Salesian tradition, our program emphasizes virtues like perseverance, honesty, humility, courage, simplicity, generosity, patience, and optimism.

### TUITION ASSISTANCE AND SCHOLARSHIPS

Thirty-three percent of our student body receives financial aid; we encourage any family who thinks that Visitation is beyond their means to apply. Visitation also has a fund available to all families that helps pay for additional educational expenses, like books and uniforms. Further, all applicants are considered for awards that recognize scholarship and leadership.

### SERVICE TO STUDENTS WITH SPECIAL NEEDS

All teachers and staff support each student and ensure she has all she needs to achieve her personal best. Through our Learning Support program, students learn the importance of believing in themselves, and keeping academic performance in perspective. Students cultivate curiosity, responsibility, self-advocacy, and respectful communication.

### TRANSPORTATION

Visitation is located in the heart of Georgetown. Accessible from Maryland, Virginia, and the District, the school offers organized drop-off and pickup for parents as well as on-campus parking for students who carpool; students also use public transportation, including the D and 30 bus routes.

A Catholic, Jesuit college preparatory school, Gonzaga offers outstanding academics and a wide variety of co-curricular activities. Located six blocks from our nation's Capitol, its inner city location underscores the school's commitment to the challenge of Fr. Pedro Arrupe, S.J., for our students to become "Men for and with Others." Performing community service and helping those in need is encouraged throughout a student's four years on Eye Street. "Men for and with Others" is not an empty phrase during a young man's tenure at Gonzaga or in the years that follow in the wider world. Admission is based on school performance, current teacher recommendations, test scores, and a personal essay, as well as extracurricular activities.

Gonzaga seeks well-rounded young men with a strong desire to succeed and to be part of Washington's oldest all-boys school. The student body is diverse and is drawn from the entire metropolitan area and beyond.

## TUITION ASSISTANCE AND SCHOLARSHIPS

Need-based assistance is available in the form of grants based upon a financial aid application submitted to Financial Aid Management. Through our own independent process, Gonzaga awards over \$4.0 million in financial aid to over one-third of the student body. Merit based grants (Presidential and Sousa Scholarships) are also awarded to incoming freshmen. St. Anselm's Abbey School is a Catholic, Benedictine school for boys in grades 6 through 12, located in Northeast Washington, DC where students benefit from a rigorous academic program, a wide selection of extracurricular activities, including ten varsity sports, and a close-knit community where every boy is challenged and supported.

While St. Anselm's is noteworthy for the diversity of backgrounds and interests among its student body, it is even more extraordinary for the brotherhood and bonds the school creates for the young men who learn on its 40-acre campus. The small size of each class and seven-to-one student to teacher ratio mean that every boy receives individual attention and is recognized for their individual gifts.

Founded in 1942, St. Anselm's offers a classical liberal arts education and welcomes all students able to benefit from its programs regardless of religion, race, ethnicity, or economic status. Nearly 40 percent of all students receive financial aid. All academic classes are on an honors level and the school offers 26 AP courses. The school offers a comprehensive athletic program at the Upper School level, where the school won nine titles in the PVAC Athletic Conference over the past year.

There are also many co-curricular activities, including the school newspaper, Model United Nations, It's Academic, a "Barbecue Club," musical groups, and organizations committed to service and the environment. Students in 11th and 12th grades spend each Tuesday morning volunteering in the community.

Whether at a small liberal arts college, a service academy, in the Ivy League, or at an engineering school, St. Anselm's graduates attend some of the nation's finest post-secondary institutions. A St. Anselm's education prepares young men to succeed in college, and more importantly, to lead lives of service and contribution to their communities.

## TUITION ASSISTANCE AND SCHOLARSHIPS

In 2022-23, St. Anselm's Abbey School is awarding more than \$1.5 million in need-based aid. Currently, nearly 40 percent of St. Anselm's students receive tuition assistance. Any family who thinks that St. Anselm's education is beyond their means should apply for financial aid. We partner with School and Student Services (SSS), a service of the National Association of Independent Schools, in our financial aid process. The SSS applies a consistent and objective formula to calculate the amount of money a family should have available to contribute to their child's education.

## SERVICE TO STUDENTS WITH SPECIAL NEEDS

St. Anselm's Abbey School has a school counselor who works with boys in need of help with study skills and support. The school offers limited accommodations, including extra time on tests and assignments, for students with documented learning differences.

## TRANSPORTATION

St. Anselm's Abbey School offers shuttle buses before and after school to the closest Metro station. We also have a morning shuttle from Bethesda/Chevy Chase and two from Northern Virginia (McLean/Arlington and Alexandria.) All of these programs are offered at cost.
