

ALICE[®]

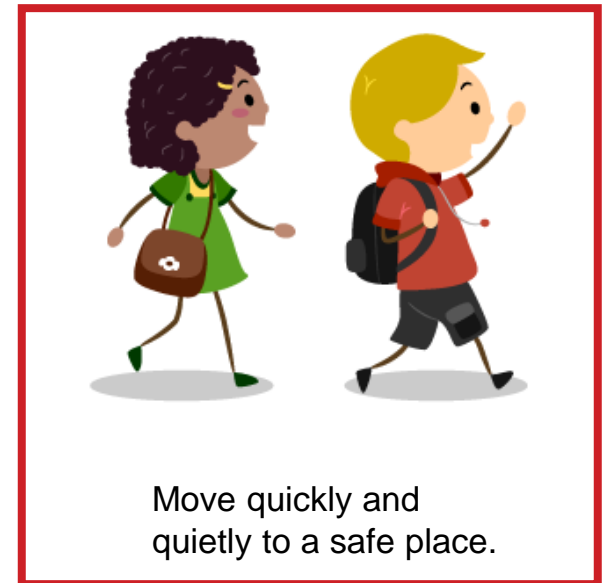

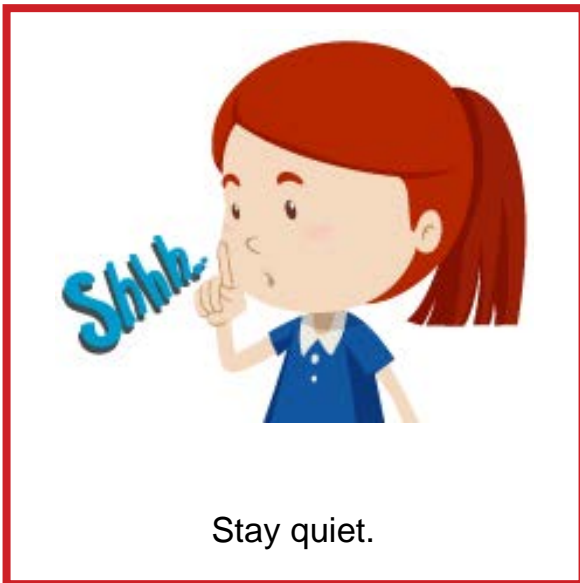

TRAINING INSTITUTE

ALICE Power Cards

Instructions for Use:

1. Add your student's favorite characters such as super heroes, movie characters, etc. to motivate them.
2. Review power card and edit as needed to ensure that language, readability, illustrations and length are appropriate for your student(s).
3. Make several copies of the power card.
4. Laminate power cards for durability.
5. Read the power card to your student(s) frequently.
 1. Review power card before and after drills.
 2. Teach your student to hold onto the power card and review it during drill.
 3. Add copy of the power card to your "go bag".
 4. Send a copy of the power card home with your student(s) and encourage their families to read it with them frequently.

Evacuation Drills

Lockdown Drills
