Beginning in the 2022-23 school year, the COVID-19 vaccine is required for school enrollment and attendance in the District of Columbia for all students who are of an age for which there is a COVID-19 vaccination fully approved by the US Food and Drug Administration (FDA). As of July 8, 2022, there is a fully approved COVID-19 vaccine for individuals age 12 and older.

I am requesting a religious or conscience-based exemption from the COVID-19 vaccination for the above named student.
