CRITERIA FOR ADMISSIONS

Students apply to a Catholic high school by completing the high school's application form. Grades, test scores, and in some cases, an interview are considered by Catholic high schools in determining admission for each student. Each Catholic high school is unique, and so is their admission process. Learn more about each Catholic high school by reviewing the school listings in this directory and visiting their website.

PLACEMENT TESTING

A placement test is required by all Catholic high schools unless otherwise indicated by the high school. This section pertains to registering for and taking the High School Placement Test (HSPT). The exam takes approximately 3 hours to complete, including two short breaks and time for distributing and collecting test materials. Subtests and standard testing time limits are as follows: 16 minutes for verbal ability; 30 minutes for quantitative ability; 25 minutes for reading achievement; 45 minutes for mathematics achievement; and 25 minutes for language arts.

PROCESS FOR STUDENTS ENROLLED IN A CATHOLIC ELEMENTARY SCHOOL

Catholic school students in the Archdiocese of Washington take the HSPT at their schools on **Wednesday, December 2, 2026**. Principals in the Archdiocese of Washington Catholic schools provide 8th-grade students and their parents/guardians with the link to the online HSPT registration form. Parents/guardians complete the registration and payment for the test online. Students and their parents/guardians will also select the high schools to receive the results of the HSPT at the time of registration (Please see the High School Choice(s) section on page 8). Online test registration opens on **Monday, October 5, 2026**. Test registration and payment must be submitted by **Monday, November 30, 2026**. A confirmation letter is sent via email to the parent/guardian.

Students who require testing accommodations must have a current ICEP or CAP on file with the school, clearly documenting the specific accommodations. There is no need to indicate accommodations on the registration form. For questions, please contact your child's current school directly.

PROCESS FOR STUDENTS NOT ENROLLED IN A CATHOLIC ELEMENTARY SCHOOL

Students attending schools that do not administer the HSPT may register and pay for the HSPT online at www.adwcatholicschools.org/high-school. Online registration for the HSPT opens on **Monday, October 5, 2026**, and closes the **Sunday before the test date or when all testing locations have reached capacity**.

ACCOMMODATIONS FOR STUDENTS The Roman Catholic Archdiocese of Washington has an inclusive philosophy for accommodating students. All testing sites offer standard and accommodated testing conditions, which may include testing in a separate accommodated testing room. Accommodation approvals are individualized and tied to the HSPT registration process. All accommodations will be finalized before the test date and communicated to the HSPT Site Coordinator at each testing location. Some students with approved accommodations may be best served in the general testing environment.

Parents/guardians requesting accommodations must select the accommodated seating option during online registration and submit the required supporting documentation. Documentation must be received by the following deadlines to ensure accommodations can be arranged:

- December 5, 2026, test date: **November 17, 2026**
- December 12, 2026, test date: **November 20, 2026**
- January 9, 2027, test date: **December 15, 2026, or upon registration**

Documentation may be uploaded through the registration system. Failure to provide supporting documentation may result in a student being unable to test with accommodations on their selected date or at their preferred location. Parents/guardians will receive confirmation of approved accommodations via email through the registration system.

During the admissions process, parents/guardians should also provide the high school(s) with information regarding their child's educational needs to support appropriate placement. The Archdiocese of Washington is not able to share the accommodation documentation with the high schools. For questions regarding testing accommodations, please contact the Director of Special Education at AccHSPT@adw.org.

Holy Cross offers a rigorous college-preparatory curriculum that includes Honors and AP courses, dual-enrollment opportunities with Marymount University, a Project Lead the Way engineering pathway, and a wide range of electives. Every senior completes a 60-hour professional internship, gaining meaningful real-world experience before graduation. More than \$27 million in college scholarships were awarded to the Class of 2026, reflecting the academic excellence and opportunities that define the Holy Cross experience.

Students are challenged and supported within a rigorous college-preparatory environment. Our Freshman Advisory program eases the transition to high school, helping students build the skills, confidence, and connections needed for academic and social success. In grades 10–12, advisory experiences are tailored to the unique needs of each class year, supporting students as they grow in independence, leadership, and preparation for life beyond Holy Cross. When additional support is needed, the Student Support Program provides individualized academic strategies to help students meet their goals. As a member of the global Holy Child Network of Schools in the United States, Europe, and Africa, we live out an inspiring tradition of faith and intellect. The Holy Child community welcomes students and families of different faiths and diverse backgrounds. In keeping with our founder Cornelia Connelly's vision to "meet the wants of the age," we intentionally craft an educational experience that provides a healthier, smarter way to prepare for college and life. With a 7 to 1 student to faculty ratio, Holy Child creates a personalized learning experience. Outside of the classroom, more than 65% of our students compete on interscholastic teams, and many are multisport athletes in our 13 sports. Additionally, more than 70% of our students participate in our visual and performing arts program. Keeping with our motto, "Actions not Words," Holy Child students complete more than 5,000 hours of community service each year.
